YOUR ARRIVAL AT LE PAPAYER

This welcome booklet allows you to read a multitude of elements to understand the good functioning of the Ecolodge.

Your arrival at Papaya can be done in the dry season directly by the rice fields but also by the beach in Taxi ride to the Maya Hotel. Count then 15 minutes walk from the beach of the Maya Hotel in direction Diembering (north) to join the Papayer. Of course we are at your disposal to come to you pick up 4x4 at the Maya Hotel. In the same way we can you drop off 4x4 on the points of contact where the taxi can pick you up to get around at your leisure.

During the rainy season, we only have access via the beach. Traditional rice cultivation is sacred and access to paddy field is regulated.

THE SECURITY OF THE HOTEL

Smoking is not allowed in the rooms of the first floor because of the straw roof. In the same way the fires and Wild barbecues are strictly forbidden in the enclosure Papayer Ecolodge. We can organize fires camps and barbecues on the beach at your request.

A complete pharmacy box is at your disposal. Born do not hesitate to ask the staff if you have any inconvenience or health problem. Small problems harmless can very quickly degenerate and become treatment. Do not take risks. Speak quickly.

Regarding swimming at sea, we prohibit access to the beach for unaccompanied children. The sea so beautiful or she can always be dangerous. Where appropriate, our caretaker is at your disposal to accompany you to the beach.

TV, CANAL +, FILM LIBRARY, ...

You have in the living room a HD TV and a channel bluetooth hifi. If you want to view photos and movies of your stay it is enough either to connect a USB key with your data either to go through the chromeCast Google: you can view all your photos and videos directly via your smartphone on the HDTV.

A film library of about 500 films is also available in self service. Do not hesitate to ask the staff how view the movies of your choice.

For insomniacs, please connect a headset to provision to the device so as not to disturb the rooms nearby.

INTERNET & WIFI

The internet in Senegal is not unlimited. The Papayer offers his hosts 3 GB of data per day. Which is very widely enough to check his emails, use WhatsApp etc. Yes your internet consumption requires more than 3 GB of daily data it's up to you to take charge of your exceeded. The wifi password will be communicated to you your arrival. Thank you for not distributing it to anyone.

Do not hesitate to ask the staff about these questions. The connection is excellent but sometimes suffers from hazards that do not are not of our fact.

Finally, remember to disable your automatic updates on your smartphones and tablets to save the package.

HOT WATER ON ALL FLOORS

The Papayer Ecolodge has a solar water heater that can supply hot water to all the bathrooms of the Hotel. All water and energy resources are powered by solar and wind energy.

LINEN AND CLEANING

Room cleaning is done every other day. Think about leave your instructions and the key of your room to the responsible person for the household. For your belongings of value a safe is at your disposal if necessary.

You have a laundry basket in each room. The linen is made every other day in shift with the days of household. As is customary in Casamance, it is up to you to organize yourself with the person in charge of the laundry. The price is left to your discretion, with a minimum of 3000 FCFA (ie 4.5 euros) for an average laundry.

SOLAR AND WIND ELECTRICITY

The Papayer Ecolodge is totally autonomous in energy. We produce our own energy through solar hybrid and wind. This energy is 100% green.

Your carbon impact on the environment during your stay at Papayer is negligible.

This has some constraint ... Please do not use hair dryers. As a rule we do not allow electrical equipment that consumes more than 1200W.

Always remember to turn off the lights when you leave the rooms, bathrooms and common areas.

Please do not leave the fans running if You are not present.

The solar allows us to draw the water that feeds the whole of the site. We have a reserve of 2000 liters of water. Yes you do not have water in the bathrooms, do not panic the reserve is empty. Notify us, the filling takes minutes before the water is available again.
